

GLOBAL MATH CHALLENGE

Registration Guide for Schools

Create an account with Google Classroom	p.1-3
Create an account without using Google Classroom	p.4-7

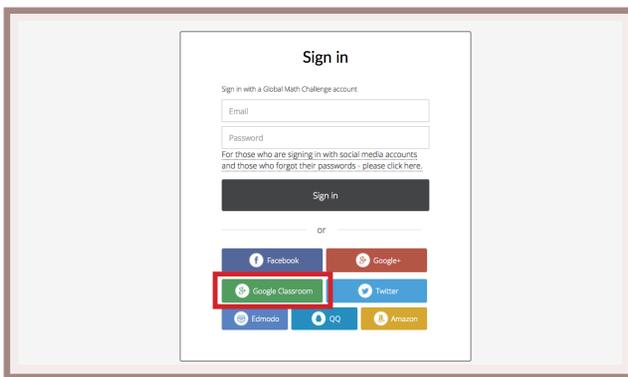

Create a GMC account with Google Classroom

1 Create an account

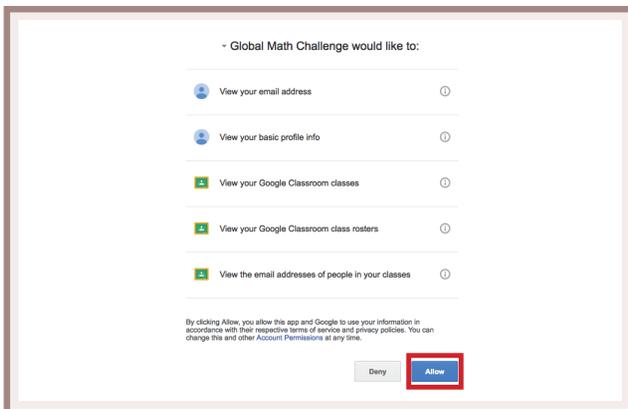

The GMC website

Click 'Sign in'.

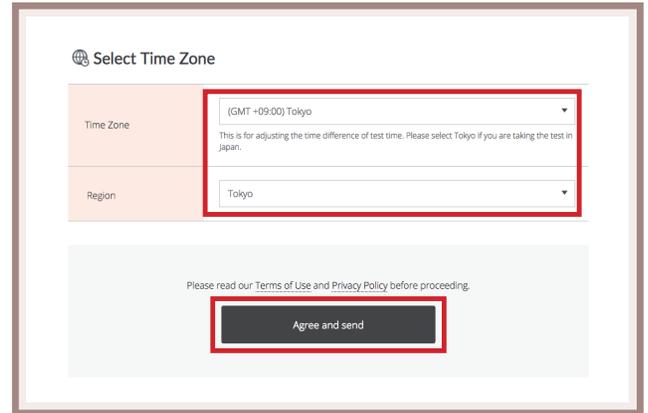

Sign in with a Google Classroom account.

Click 'Google Classroom'.

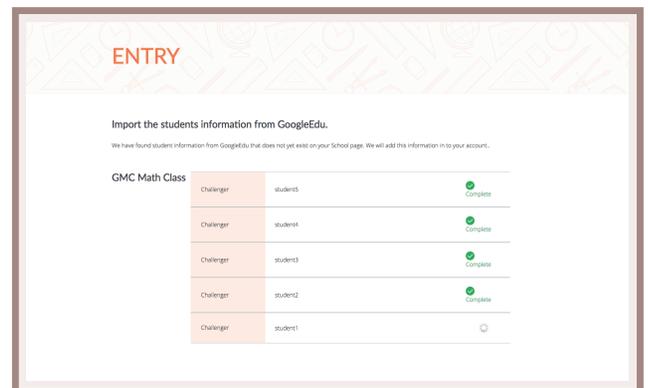

Give permission

Give permission for Global Math Challenge to access your Classroom account by clicking 'Allow'.

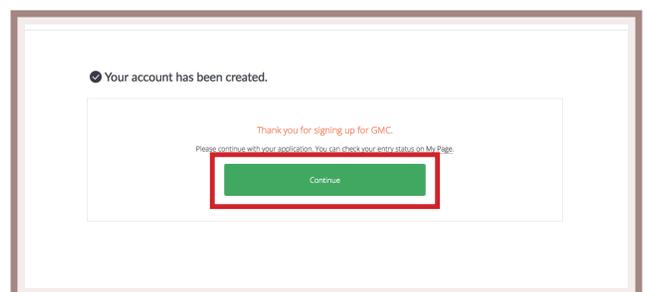

Select your time zone

Select your time zone and region. Please read our Terms of Use and Privacy Policy and click 'Agree and send' if you agree.

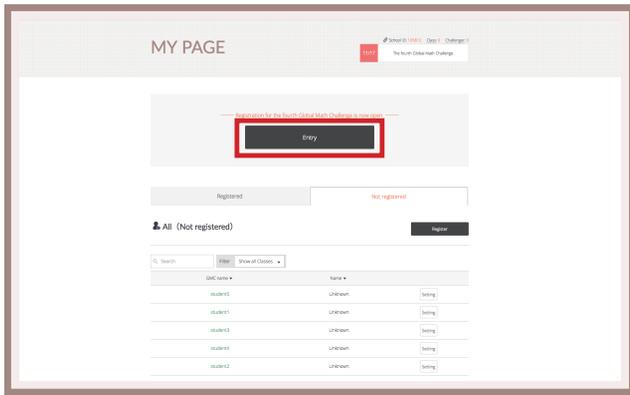

Import the students information

The students and class information will automatically be imported from GoogleEdu.

Your GMC account has been created

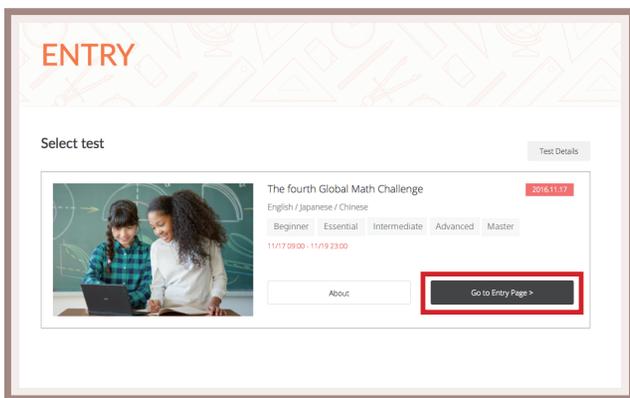

All the students information has been imported. Click 'Continue' to proceed.

Check your student information

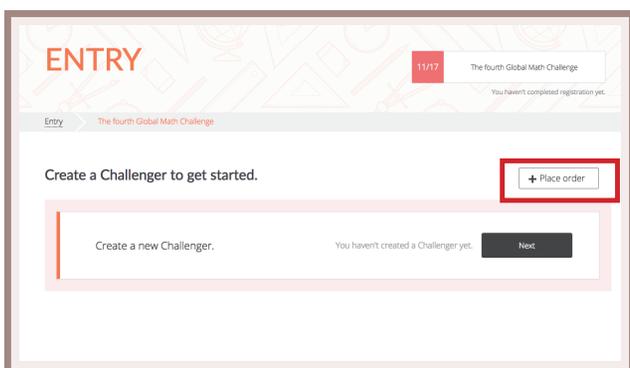

Check the list of all of your Google Classroom students and proceed to **2. Place order for your entry**.

2 Place order for your entry

Select a contest

Click **'Go to Entry Page'**.

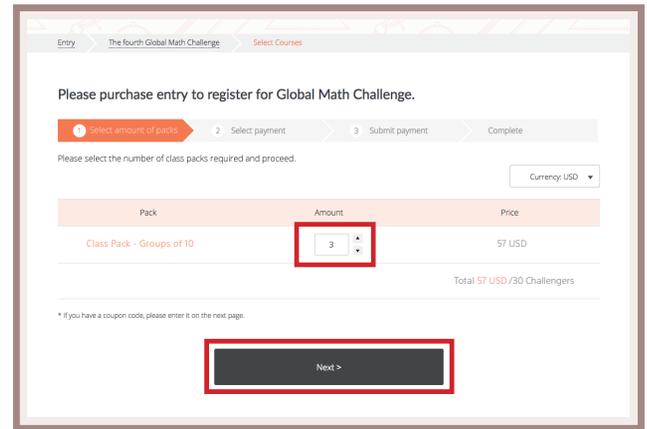

Place order

To participate in the contest, please click **"Place order"**.

Payment method:

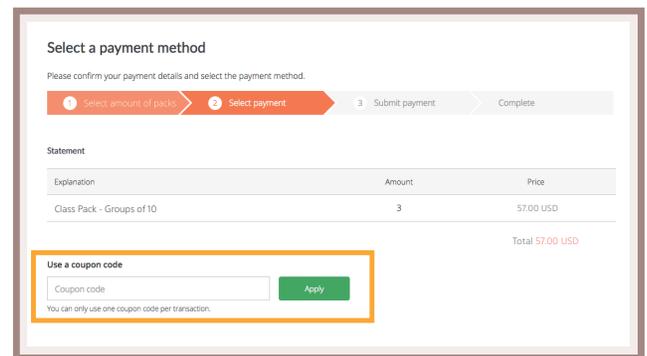

You may use credit card or a coupon code.

Choose the number of packs

Enter the amount and click **'Next'**.

"Challenger" = student

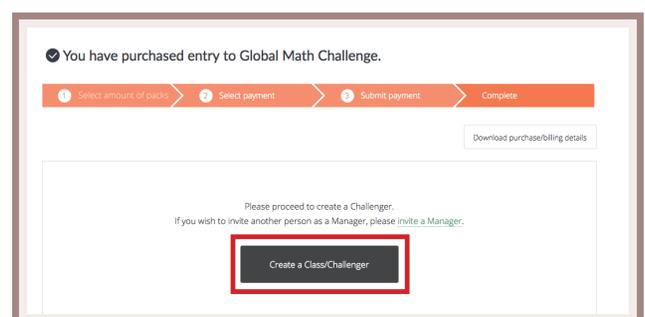

Select a payment method

Complete the purchase process.

OPTION

If you have a coupon code, enter the code and click **'Apply'**.

Submit

Purchase completed

Click **'Create Class/Challenger'** and proceed to **3. Complete entry process for contest**.

3 Complete entry process for contest

Course selection

If you select a course that is much lower than your actual ability, please select 'No'. For example, if you are 18 years old and enter the Beginner course, please select 'No'. Please note that by taking part in the Global Math Ranking other challengers will be able to see your nickname and overall ranking in the contest.

You can still register 30 of 30 Challengers.

Make sure to print out the IDs and passwords, then hand them out to your students.

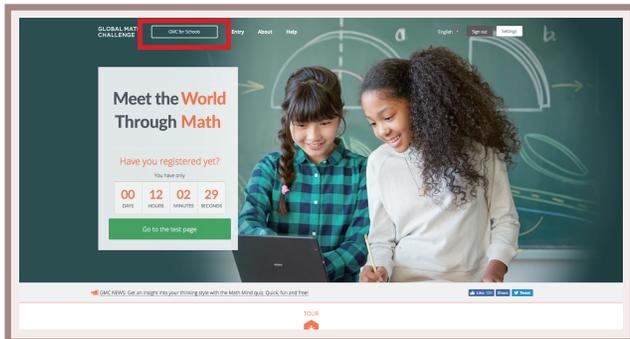

Challengers sign in individually via <https://www.global-math.com/players> to take part

On the day of the contest, log in to My Page and enjoy the contest. Good luck!

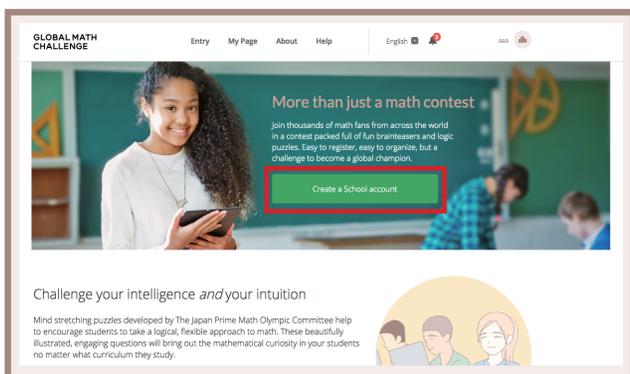

Create a School account without using Google Classroom

*This form of sign up is not applicable to schools in the US.

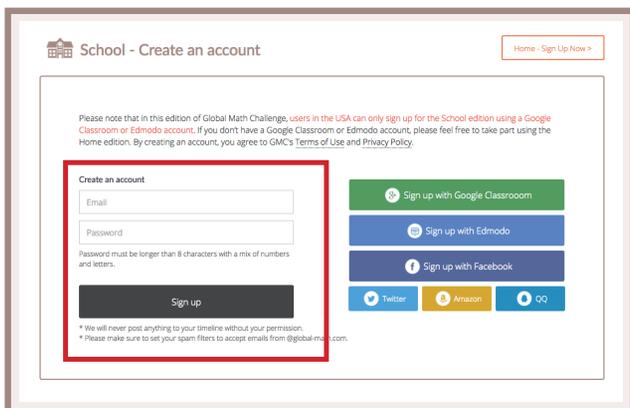

1 Create an account

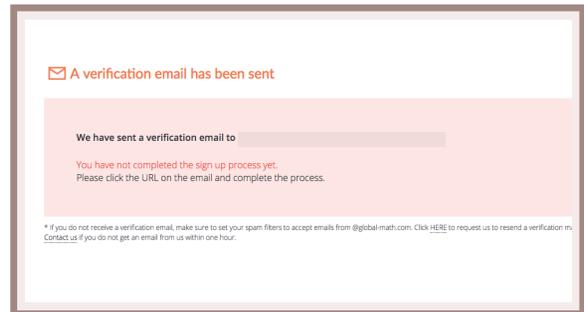

The GMC website
Click 'GMC for Schools'.

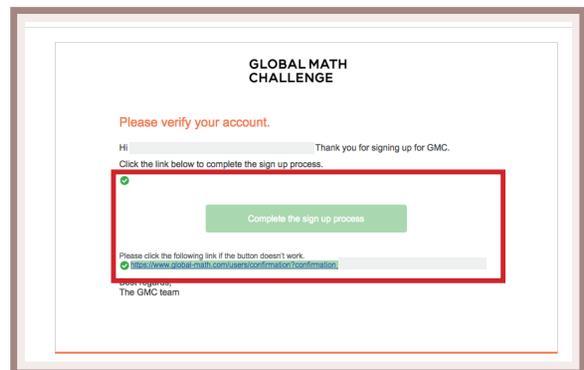

Create a new account
Click 'Create a School account'.

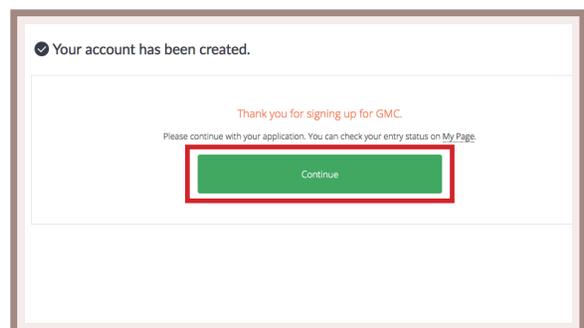

Create a School account
Enter your email address and password. Click 'Sign up'.
If you use Google Classroom or Edmodo, please see pages 1-3 of this guide for a speedier sign up process.

Verify your email address
A verification link email will be sent to your email address.

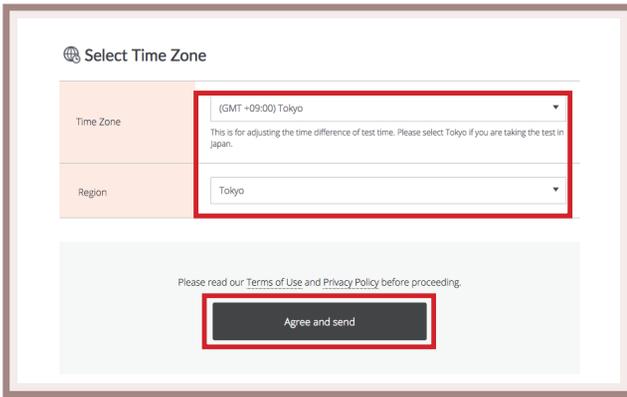

Check your email inbox
Click the link in the verification email to complete the sign up process.

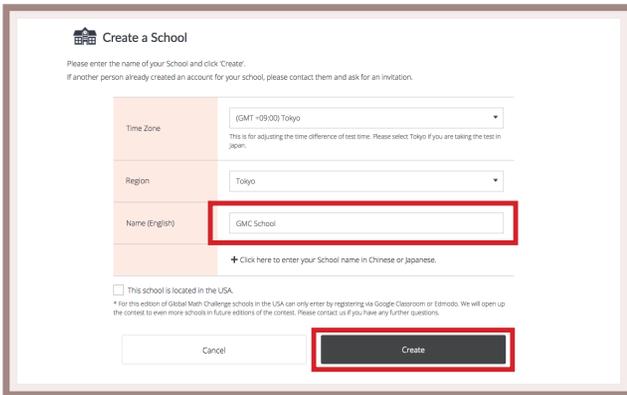

Your account has been created
Click 'Continue' to proceed to 2. Create a School.

2 Create a School

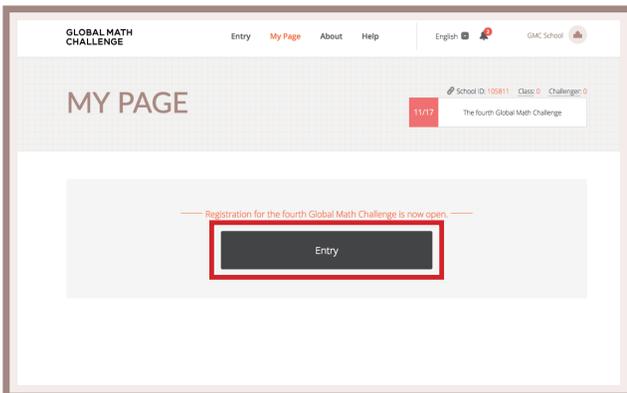

Select your time zone

Select your time zone and region. Please read our Terms of Use and Privacy Policy and click 'Agree and send' if you agree.

Enter your 'School' name

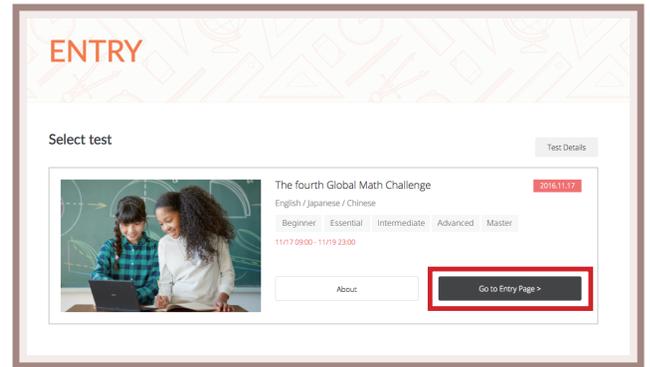

This might also be the name of your class or grade. It's up to you. Once finished, click 'Create'.

Your 'School' has been created!

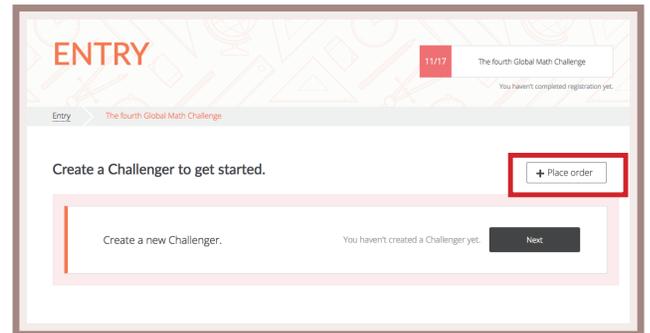

Click 'Entry' and proceed to **3. Place entry order**.

3 Place entry order

Select a contest

Click 'Go to Entry Page'.

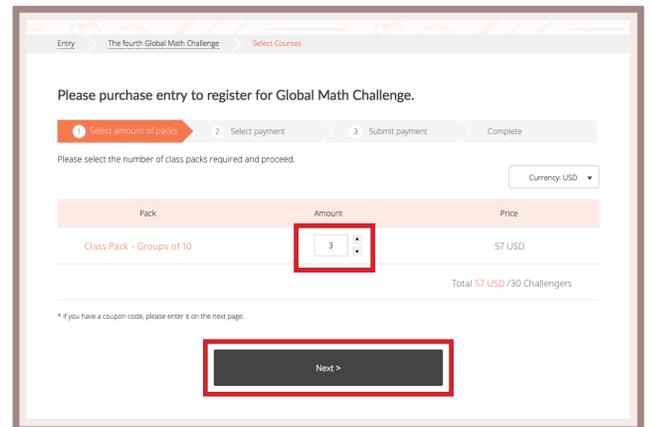

Place order

To participate in the contest, please click "Place order".

Payment method:

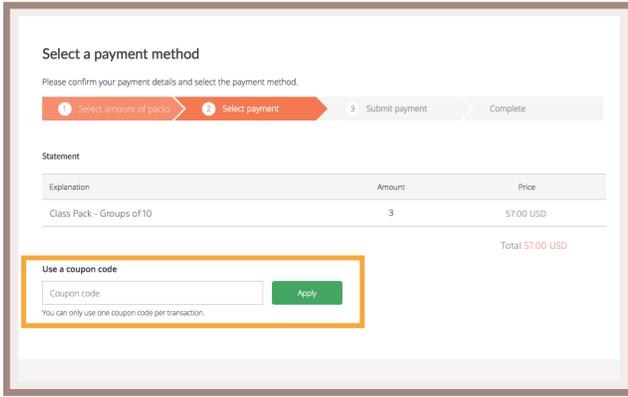

You may use credit card or a coupon code.

Choose the number of packs

Enter the amount and click 'Next'.

"Challenger" = student

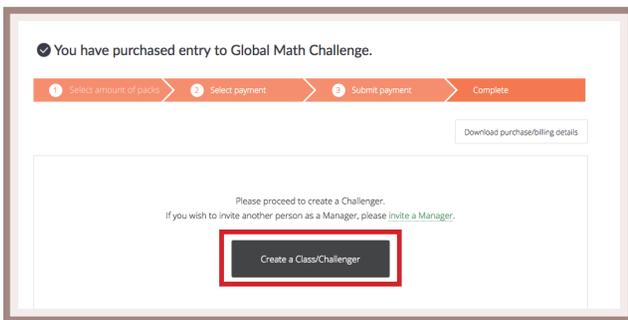

Select a payment method

Complete the purchase process.

OPTION

If you have a coupon code, enter the code and click 'Apply'.

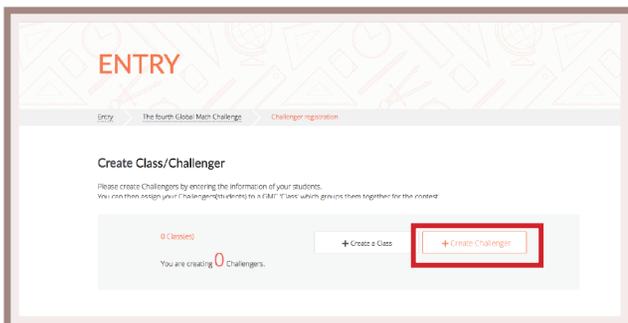

Submit

Purchase completed

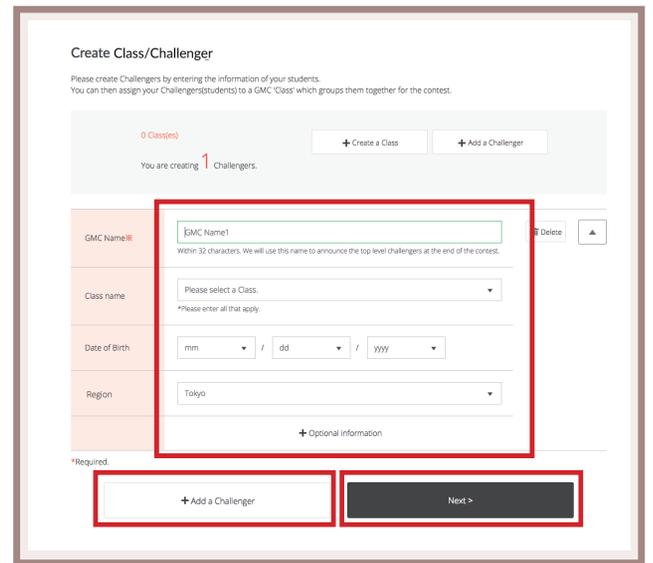

Click 'Create a Class/Challenger' and proceed to **4. Submit student information**.

4 Submit student information

Create Class/Challenger

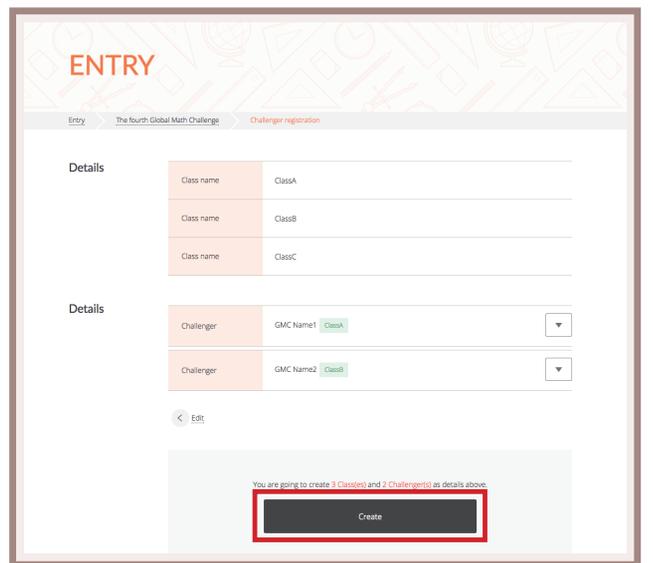

Click 'Create Challenger'. For those who have multiple classes, we suggest you create those classes before entering the students for each class.

Enter student information

Fill in the required fields for your students.

If you would like to add more Challengers, click 'Add a Challenger'. Click 'Next' once you have entered all the information.

Please confirm the Challenger's information

Click 'Create' to proceed to **5. Complete entry process for contest**.
